Serving Up Family Fun

Oak Park Tennis Club has been established since 1966. The focus of the club is to provide a family friendly environment for the community of Oak Park and surrounding areas to participate in tennis.

The club promotes the participation but encourages all members to reach their potential.

OPTC is a private club on grounds leased from the Moreland City Council and the club (it's members) is responsible for the maintenance and upkeep of the facility.

With 7 sand filled synthetic grass courts plus 1 acrylic coated hardcourt, you'd be hard pressed to find a better facility in the northern suburbs.
